

*Newburyport City Hall*

Mills Whitaker Architects provided the following services for this circa 1850 Historic Structure in the scenic seaport of Newburyport.

- 1997 Assessment of Historic Windows - performed survey of windows, noting levels of deterioration and identifying non-original materials. Published a "Window Survey" documenting historical development and existing conditions. The project was funded with a matching grant from Massachusetts Preservation Projects Fund.
- 1998 Window Restoration Project - restoration of all wood window sash and frames. The project was funded with a matching grant from Massachusetts Preservation Projects Fund.
